Remarks

The Office Action indicated that it is rendered in response to a communication mailed October 24, 2006. It is noted that Applicants' have filed a further Amendment in the subject application which was mailed to the U.S. Patent Office November 9, 2006. It is respectfully requested that this amendment also be considered.

Having made the change requested by the Examiner, which was indicated to place the claims in condition for allowance, it is believed that all Applicants' claims are now in condition for allowance and such is respectfully solicited.

Respectfully submitted,

F. Lindsey Scott
